SHRI SAMRAT CHAUDHARY

HONORABLE CHIEF MINISTER, BIHAR

MESSAGE

SHRI PRATYAYA AMRIT

CHIEF SECRETARY, BIHAR

MESSAGE

SHRI MUNINDRA KUMAR

DIRECTOR GENERAL, CHAMBER OF COMMERCE AND INDUSTRIES OF INDIA

MESSAGE

India's progress is driven by the collective efforts of its states and union territories, each contributing uniquely to the nation's economic, industrial, social, and technological development. As the country moves towards becoming a developed economy, stronger collaboration between government institutions, industry, academia, investors, and development stakeholders has become essential for achieving sustainable and inclusive growth.

The Chamber of Commerce and Industry of India (CCI India) remains committed to strengthening this collaborative ecosystem by promoting investment, entrepreneurship, innovation, industry partnerships, skill development, and economic advancement across the country. Through its various initiatives, CCI India continues to facilitate meaningful engagement between public and private stakeholders, creating opportunities that contribute to regional and national development.

This Knowledge Paper has been prepared to provide insights into key government departments, development priorities, emerging opportunities, policy landscapes, and potential areas of collaboration. It highlights how strategic partnerships, technology adoption, private sector participation, and innovative approaches can accelerate growth, improve service delivery, and enhance the overall development ecosystem.

The publication is intended to serve as a valuable reference for policymakers, government officials, industry leaders, investors, entrepreneurs, academic institutions, and development organisations. By fostering informed dialogue and encouraging collaborative action, it aims to support initiatives that generate investment, create employment, strengthen institutions, and drive long-term socio-economic progress.

As India continues its journey towards greater prosperity and global competitiveness, the role of effective partnerships and knowledge-sharing will remain increasingly important. It is our hope that this publication contributes meaningfully to that vision and serves as a catalyst for impactful collaboration and sustainable development.

Munindra Kumar
Director General
CCI India

PREFACE

Bihar stands at a pivotal moment in its development journey. As one of India's fastest-transforming states, Bihar is witnessing significant progress across sectors such as agriculture, infrastructure, education, healthcare, digital governance, energy, and industrial development. With a young population, expanding connectivity, and a strong commitment to inclusive growth, the state offers immense opportunities for investment, innovation, and public-private collaboration.

The Chambers of Commerce & Industry of India (CCI India) has prepared this compendium of Knowledge Papers to provide a comprehensive understanding of key government departments in Bihar and to identify areas where industry, entrepreneurs, investors, technology providers, and policy institutions can contribute meaningfully to the state's growth agenda. Each paper examines the department's mandate, operational ecosystem, policy landscape, investment opportunities, technological advancements, challenges, and future potential.

More importantly, these Knowledge Papers highlight practical pathways through which CCI India can support departmental objectives through policy advocacy, industry partnerships, investment facilitation, capacity building, innovation promotion, skill development initiatives, and strategic collaborations. The objective is to create stronger linkages between government priorities and private sector capabilities, enabling sustainable and impactful development outcomes.

As India advances towards becoming a developed nation, states such as Bihar will play a decisive role in driving economic growth, employment generation, social progress, and innovation-led development. Through this initiative, CCI India reaffirms its commitment to supporting the Government of Bihar in its vision of building a prosperous, inclusive, and future-ready state.

We hope this publication serves as a valuable resource for policymakers, government officials, industry leaders, investors, academic institutions, and development stakeholders seeking to contribute to Bihar's continued transformation and growth.
