UTTAR PRADESH: THE POWER HOUSE OF POSSIBILITIES

Confidential and Proprietory
June 2026

SHRI YOGI ADITYANATH

HONORABLE CHIEF MINISTER, RAJASTHAN

MESSAGE

SHRI SHASHI PRAKASH GOYAL

CHIEF SECRETARY, UTTAR PRADESH

MESSAGE

SHRI MUNINDRA KUMAR

DIRECTOR GENERAL, CHAMBER OF COMMERCE AND INDUSTRIES OF INDIA

MESSAGE

India's progress is driven by the collective efforts of its states and union territories, each contributing uniquely to the nation's economic, industrial, social, and technological development. As the country moves towards becoming a developed economy, stronger collaboration between government institutions, industry, academia, investors, and development stakeholders has become essential for achieving sustainable and inclusive growth.

The Chamber of Commerce and Industry of India (CCI India) remains committed to strengthening this collaborative ecosystem by promoting investment, entrepreneurship, innovation, industry partnerships, skill development, and economic advancement across the country. Through its various initiatives, CCI India continues to facilitate meaningful engagement between public and private stakeholders, creating opportunities that contribute to regional and national development.

This Knowledge Paper has been prepared to provide insights into key government departments, development priorities, emerging opportunities, policy landscapes, and potential areas of collaboration. It highlights how strategic partnerships, technology adoption, private sector participation, and innovative approaches can accelerate growth, improve service delivery, and enhance the overall development ecosystem.

The publication is intended to serve as a valuable reference for policymakers, government officials, industry leaders, investors, entrepreneurs, academic institutions, and development organisations. By fostering informed dialogue and encouraging collaborative action, it aims to support initiatives that generate investment, create employment, strengthen institutions, and drive long-term socio-economic progress.

As India continues its journey towards greater prosperity and global competitiveness, the role of effective partnerships and knowledge-sharing will remain increasingly important. It is our hope that this publication contributes meaningfully to that vision and serves as a catalyst for impactful collaboration and sustainable development.

Munindra Kumar
Director General
CCI India

PREFACE

Uttar Pradesh stands as one of India's most significant engines of economic growth, driven by its vast population, expanding industrial base, agricultural strength, entrepreneurial spirit, and rapidly developing infrastructure. As the country's most populous state, Uttar Pradesh plays a pivotal role in shaping India's economic future through its contributions to manufacturing, agriculture, MSMEs, exports, renewable energy, logistics, innovation, and investment-led development. The state's ambitious vision of becoming a trillion-dollar economy reflects its commitment to sustainable growth, industrial transformation, and inclusive prosperity.

The Chamber of Commerce and Industry of India (CCI India) is pleased to present this compendium of Knowledge Papers highlighting key departments and development sectors of the Government of Uttar Pradesh. These papers have been prepared to provide policymakers, industry leaders, investors, entrepreneurs, researchers, and development stakeholders with valuable insights into departmental functions, economic significance, policy initiatives, investment opportunities, technological advancements, and emerging growth areas across the state.

The publication showcases opportunities across diverse sectors including industrial development, MSME promotion, agriculture, horticulture, food processing, dairy and fisheries, irrigation, energy, renewable resources, infrastructure, and other strategic areas that collectively contribute to Uttar Pradesh's economic progress. It also highlights the importance of collaboration between government institutions, private enterprises, academia, financial institutions, startups, and civil society in accelerating investment, innovation, employment generation, and regional development.

CCI India remains committed to supporting Uttar Pradesh's growth journey through policy advocacy, investment facilitation, industry partnerships, trade promotion, capacity building, research, and knowledge-sharing initiatives. We believe that through stronger public-private collaboration and a shared vision for development, Uttar Pradesh is well-positioned to emerge as a global destination for investment, manufacturing, entrepreneurship, and innovation. This publication is intended to serve as a catalyst for meaningful engagement and sustainable economic advancement across the state.
